**iMatter – have you done yours?** The iMatter 2023 questionnaire went live on Monday; we're already sitting at a response rate of 32% which is brilliant and huge thanks to everyone who has already answered the questions. If you haven't had an email with your survey link – it comes from a company called Webropol – please check your junk folders just in case. If you receive a paper copy, please speak to your line manager. If you have any queries about iMatter, please contact the team on [gram.imatter@nhs.scot](mailto:gram.imatter@nhs.scot)

**Reminder - Illuminate downtime – tomorrow** Due to essential maintenance, all users of Illuminate should be aware there will be extended periods where all dashboards will be unavailable between 9am and 6pm tomorrow (27 May).

**iPad and other prizes up for grabs** – There is still time to send in your ideas for the InnoScot Health & NHS Grampian Innovation Competition. You can find [details here](#) – be sure to share with your colleagues!

**Grampian Hospitals Art Trust** Hello from the Art Collection Team at Grampian Hospitals Art Trust! Did you know GHAT owns, manages, and displays over 4,000 artworks across NHS Grampian sites? If you would like artwork installed, changed, removed or collected from your venue, please get in touch, we may be able to help.

Our works are clearly labelled, so if you find artwork in storage that belongs to GHAT, please get in touch. Drop us a line at [gram.hospitalsarttrust@nhs.scot](mailto:gram.hospitalsarttrust@nhs.scot) or call ext.52429 - see link to leaflet for more details: [GHAT Art Collection Leaflet](#)

**That was the week that was** Your one-stop-shop for the key items we've shared this week:

Monday 22 – consultative vote on pay offer to junior doctors, guidance on use of FFP3 masks

Tuesday 23 – social media guidance for personal and business use, donning & doffing refresher dates

Wednesday 24 – raising concerns in the workplace, funded research training opportunities for AHPs

Thursday 25 – shortcut to national IPC manual on all desktops, Retire & Return process

[All briefs are saved online and available here to read at any time.](#)

**STAR Award** We're awaiting some presentations, so we'll be keeping winners' names secret for now. [Filling in the online nomination form](#) – or dropping an email to [gram.staffthanksandrecognition@nhs.scot](mailto:gram.staffthanksandrecognition@nhs.scot) - is all you need to do to nominate a colleague for a STAR award.

**Tune of the day** Janette Thomson and Liz Young leave the theatres team at AMH today, after each clocking up more than 20 years of service. Rachel and the gang want to let you know you will both be much missed and have asked for [I Want to Break Free](#) (sidenote – everyone vacuums like Freddie, yes?).

I'm clearly got that Friday feeling, so here's a couple of extra requests: for Frances Robb, and everyone willingly (or less than willingly) heading to Harry Styles this weekend, enjoy a [Watermelon Sugar](#) high. Finally, for Adehlie Marandola who completes her last shift as a Miss at Ardach Health Centre today. Mandy and the team have asked for [Chapel of Love](#) by The Dixie Cups.

Whatever your weekend plans are, take care, take a breath, and take it easy where you can. The brief will return on Monday (EP)

If you want to request a tune, follow up on items included in this brief, or suggest an item for sharing, drop us an email via [gram.communications@nhs.scot](mailto:gram.communications@nhs.scot)
